Our staff either work for the Royal Hospital Chelsea directly in our catering department or are chosen from one of our nominated suppliers that have worked closely with the Royal Hospital for many years on its events and functions. Tricorne at the Royal Hospital Chelsea offers seamless service with sensational food, the perfect combination to make your event truly special.

THE ROYAL HOSPITAL CHELSEA IS EVERY INCH A WORKING ORGANISATION

The Royal Hospital Chelsea is every inch a working organisation, providing a home for retired soldiers. Due to other commitments we cannot always take bookings in the busy months of May and June, but please get in touch to check availability or take a tour of our facilities.

Rest assured we will take as much care of you as we do our Pensioners. As a charity, profits from your booking will go towards securing the future of this historic site and the veterans who live here.
